

M6 between Junction 2 & Junction 8

Temp Road Closure Update

Planned closures to facilitate lining and drainage works on the M6 slip roads between Junction 5 and Junction 2 are due to conclude next week, if weather conditions remain favourable, at 06:00 on Wednesday 7th September. The closures are being carried out off peak (19:00 to 06:00) through the night to minimise disruption to road users. Each night two slip roads will be closed, in accordance with the program below, between the hours of 19:00 and 06:00. During this time traffic will be diverted as per the details in the table below.

On completion of the lining works a series of 3No. Pavement Works shall commence at M6 J3, J8 and J13. Please see details below:

- Thursday 7th September - The eastbound on and off slip roads and the R400 between the junction and Rochfortbridge will be closed to traffic to facilitate these works between 08:00 and 18:00. During this time traffic will be diverted.
- Friday 8th September – The westbound on and off slip roads will be closed and the R400 between the two roundabouts will be controlled under stop/go between 08:00 and 18:00. During this time traffic will be diverted.

START DATE	END DATE	START TIME	END TIME	DURATION TIME	ROAD	DIRECTION	LOCATION	TYPE OF WORKS
