Re: Road Traffic (Special Speed Limit) (County of Westmeath) Bye-Laws 2017

Dear Cathaoirleach and Members,

Further to your consideration of the above at Municipal District level, please find a report on this review of special speed limits in County Westmeath attached for your consideration. The draft bylaws and maps are also attached, as is the letter of consent from the Chief Executive of Transport Infrastructure Ireland, Mr Michael Nolan.

I recommend these bye laws to you and subject to your approval, it is intended that they would come into force on 4 December 2017.

Yours sincerely,

Pat Gallagher
Chief Executive
